SKILLS

JAVASCRIPT | JQUERY | RUBY
| RAILS | AJAX | HTML5 | CSS |
SINATRA | SQL | POSTGRESQL | GIT
| THREE.JS | PROJECT
MANAGEMENT

HOBBIES

PAINTING | PHOTOGRAPHY
SALSA | BACHATA
COCKTAIL MAKING

HELLO !

I am Jin and I am a Junior web developer, I am an enthusiastic learner, I love new challenges and being surrounded by motivated and passionate people, I am really interested in data visualisation and create fun, interactive and engaging user experience, I have a background in engineering and project management which brings me logical thinking, problem solving and strong numeracy skills, in the meanwhile I am also into visual arts, I love experimenting with media to apply in my photography and paintings, If I had to sum myself up in a few words I would choose: curious, creative, persistent and forever a learner.

EXPERIENCE

WEB DEVELOPMENT IMMERSIVE COURSE

GENERAL ASSEMBLY | JUNE - AUG 2016

- Developed many web applications using Javascript, jQuery, Ruby on rails, HTML5, CSS, PostgreSQL and AJAX
- For my final project I used Three.js, twitter API and Ruby on rails to visualise data in a dynamic and three dimensional way

XYLEM WATER SOLUTIONS

TENDER ENGINEER | AUG 2011 - DEC 2015

- A member of the national contracts team for preparation of tenders for large projects nationally
- Product selections, costing, assessment of commercial terms and conditions, I worked closely with project team to deliver engineering projects within the timeframe and budget required.

ITT CHINA

PROJECT ENGINEER | AUG 2008 - JULY 2011
